Barnabus Mupatch is a street urchin who grew up on the dirty back streets of the great medieval city of Waxminster. Daily life is a struggle for survival. Both the City Watch and the criminal Deadhand gang have no time or sympathy for the children who live in the streets, so they are forced to fend for themselves.

Barnabus has always been lucky in his life - at least, so far. This leads him to take risks that others wouldn't dare to. Like creeping onto the tournament field, and sneaking inside a knight's pavilion. Like trying on the suit of armour he finds there, and being mistaken for a real knight. Like sitting on a warhorse, and having to fight the greatest knight in the land..... Whether by luck or destiny, Barnabus is transported on a whirlwind adventure that takes him away from his Waxminster home, and into hair-raising confrontations with deadly demons and the most powerful wizard in the kingdom! Join him as he makes new friends and discovers the secret of his own birth! His life will never be the same again.....
