El médico del sultán (Spanish Edition)

César Vidal

El médico del sultán (Spanish Edition) César Vidal

El siglo XII se acercaba agitadamente a su fin cuando Saladino, el paladín del islam, decidió asaltar los enclaves cruzados en Tierra Santa. Se trataba de una empresa colosal que no sólo chocaba con los obstáculos planteados por caballeros como los templarios y hospitalarios, sino también por las propias intrigas surgidas en los palacios de El Cairo. En medio de ese mundo en permanente tensión, en el que la guerra era una forma más de hacer política, emerge, como un faro de serena inquietud existencial, la figura de Moisés ben Maimón, también conocido como Maimónides, el médico, rabino y filósofo que se había exiliado de Sefarad y que buscaba la paz en el otro extremo del mundo.

A través de las intrigas cortesanas y de los campos de batalla, de los lechos de los enfermos y de las disputas en las sinagogas, de las pesadillas y de los sueños de amor, Maimónides se convierte en nuestros ojos y nuestros oídos para visitar un microcosmos donde se entrecruzan guerreros, talmudistas, conspiradores, renegados y caballeros. Un mundo cuya configuración nadie puede escoger y en el que debemos encontrar la dicha y el significado de la vida.

El médico del sultán es otra extraordinaria contribución de César Vidal al género de la novela histórica, que despliega ante el lector los entresijos de la corte egipcia, las Cruzadas, los deseos de supervivencia del pueblo judío y el gran campo de batalla en que se convirtió el Mediterráneo durante la Edad Media. Pero, sobre todo, constituye un homenaje a aquellos que se entregan a la búsqueda de la sabiduría, la felicidad y el amor.

From reader reviews:

Jennifer Frederick:

The feeling that you get from El médico del sultán (Spanish Edition) is the more deep you rooting the information that hide in the words the more you get enthusiastic about reading it. It does not mean that this book is hard to know but El médico del sultán (Spanish Edition) giving you thrill feeling of reading. The copy writer conveys their point in certain way that can be understood through anyone who read that because the author of this book is well-known enough. This specific book also makes your own personal vocabulary increase well. It is therefore easy to understand then can go with you, both in printed or e-book style are available. We highly recommend you for having this particular El médico del sultán (Spanish Edition) instantly.

Blanche Ball:

Are you kind of occupied person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill even analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short space of time to read it because all of this time you only find guide that need more time to be examine. El médico del sultán (Spanish Edition) can be your answer mainly because it can be read by you who have those short extra time problems.

Douglas Johnson:

This El médico del sultán (Spanish Edition) is brand new way for you who has interest to look for some information as it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or else you who still having small amount of digest in reading this El médico del sultán (Spanish Edition) can be the light food to suit your needs because the information inside this specific book is easy to get by anyone. These books develop itself in the form which can be reachable by anyone, that's why I mean in the e-book web form. People who think that in reserve form make them feel tired even dizzy this publication is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book style for your better life as well as knowledge.

Edna Davis:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this El médico del sultán (Spanish Edition) can make you feel more interested to read.
