## **In Mortal Danger: The Battle for America's Border and Security** Tom Tancredo

Congressman Tom Tancredo explains in cogent, rational detail how America is heading down the road to ruin. He believes that the incredible economic success and military prowess of the United States has transformed a nation founded on Judeo-Christian principles of right and wrong into an overindulgent, self-deprecating, immoral cesspool of depravity. Without strong, moral leadership, without a renewed sense of purpose, without a rededication to family and community, without shunning the race hustlers and pop-culture sham artists, without protecting our borders, language, and culture, the nation that once was the land of the free and home of the brave"" and the ""one last hope of mankind"" will repeat the catastrophic mistakes of the past. ""In Mortal Danger"" is his prescription for repairing the damage.
