The Geek Feminist Revolution

Kameron Hurley

The Geek Feminist Revolution Kameron Hurley

A powerful collection of essays on feminism, geek culture, and a writer's journey, from one of the most important new voices in genre.

The Geek Feminist Revolution is a collection of essays by double Hugo Award-winning essayist and science fiction and fantasy novelist Kameron Hurley.

The book collects dozens of Hurley's essays on feminism, geek culture, and her experiences and insights as a genre writer, including "We Have Always Fought," which won the 2014 Hugo for Best Related Work. *The Geek Feminist Revolution* will also feature several entirely new essays written specifically for this volume.

Unapologetically outspoken, Hurley has contributed essays to *The Atlantic*, *Locus Magazine*, *Tor.com*, and elsewhere on the rise of women in genre, her passion for SF/F, and the diversification of publishing.
