The War Of The Prophets: Millennium #2 (Star Trek: Deep Space Nine) Judith Reeves-Stevens

The crew of the Starship Defiant is trapped in a future in which the Pah-wraiths have triumphed-as the greatest epic adventure in the saga of Deep Space 9™ continues....

In the last days of the twenty-fourth century, caught in the crossfire of the apocalyptic confrontation between the Bajoran Prophets and the Pah-wraiths, Captain Benjamin Sisko, and his crew face what might be the final millennium. On one side, the Pah-wraiths' new Emissary -- *Kai Weyoun* -- promises his followers that when Bajor's two Celestial -Temples are restored as one, all beings in the universe will ascend to a new and glorious existence with the True Prophets. On the other side, the scientists of Starfleet predict that when the two Bajoran wormholes merge, they will create a Warp 10 shock wave of *infinite* destructive power.

With the Federation on the brink of collapse, and Starfleet consumed by Admiral Jean-Luc Picard's obsessive quest to build the largest starship ever conceived, Sisko enters the ultimate race against time for the biggest stakes of all -- the survival of the universe itself.
