**Women in the United States Military: An Annotated Bibliography (Routledge Research Guides to American Military Studies)** Judith Bellafaire

Women's participation in the U.S. Armed Forces has grown over time in response to the national need for their services. Throughout each era of American history, patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities. When there was a call to duty, the United States Armed Forces always relied upon women to be a part of the effort. *Women in the United States Military: An Annotated Bibliography* is the most complete and up to date listing of resources to help students and scholars understand the effect women have had on the wars that have shaped the United States. Covering everything from the American Revolution to Operations in Iraq, *Women in the United States Military* is essential for all academic and research libraries.
