“Katharine Ashe writes with eloquence and power.”

—Lisa Kleypas

“You’ll be swept away by Katharine Ashe’s evocative writing.”

—Sabrina Jeffries

With only three books, Katharine Ashe has already established herself as a force to be reckoned with in the world of historical romance fiction. *In the Arms of a Marquess*, the third novel in her Rogues of the Sea series, once again showcases this remarkable author—whom reviewers have enthusiastically compared to Johanna Lindsey—and her amazing ability to mix danger and passion with outrageous action and breathtaking sensuality. If you are not yet a Katharine Ashe fan, you will most assuredly be one after reading this enthralling tale featuring pirates, smugglers, mistaken identities, British lords and ladies...and a beautiful, successful, yet shockingly unwed Regency miss who seeks help in a most perilous clandestine matter from a rogue English marquis, the only man she ever truly desired.
