**St. Charles (Then and Now)** Vicki Berger Erwin, Jessica Dreyer

Since the settling of St. Charles as Les Petites Cotes (the little hills) by Louis Blanchette in 1769, the riverfront area has been important to the commercial and social growth of the city. Today it is a vibrant example of historic preservation. Yet, in the 1960s, the area was endangered as the once-lovely buildings deteriorated. Thanks to the efforts of dedicated citizens prompted by the restoration of the first state capitol property, the area underwent a revitalization and rebirth. The Main Street Historic District was placed on the National Register of Historic Places in June 1970.

**From reader reviews:**

**Vivian O'Brien:**

A lot of people always spent their particular free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you simply read you can spent all day long to reading a publication. The book St. Charles (Then and Now) it is quite good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the actual e-book. You can m0ore simply to read this book from a smart phone. The price is not to cover but this book provides high quality.

**Paula Royce:**

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love St. Charles (Then and Now), it is possible to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

**Robert Harriman:**

Is it you who having spare time in that case spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This St. Charles (Then and Now) can be the solution, oh how comes? A fresh book you know. You are so out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

**Mary Barnett:**

Do you like reading a book? Confuse to looking for your selected book? Or your book has been rare? Why so many query for the book? But any people feel that they enjoy regarding reading.
