## We Are Called to Rise: A Novel *Laura McBride*

Three lives are bound together by a split-second mistake, and a child's fate hangs in the balance.

What happens next will test—and restore—your faith in humanity.

Far from the neon lights of the Vegas strip, three lives are about to collide. A middle aged woman attempting to revive her marriage. A returning soldier waking up in a hospital with no memory of how he got there. A very brave eight-year-old immigrant boy.

This is a story about families—the ones we have and the ones we make. It's a story about America today, where so many cultures and points of view collide and coexist. *We Are Called to Rise* challenges us to think about our responsibilities to each other and reminds us that no matter how cruel life can be in a given moment, it is ultimately beautiful to live, and live fully.
