**Carnivores** Aaron Reynolds

*The lion is king of the jungle!*

*The great white shark is sovereign of the seas!*

*The timber wolf is emperor of the forests!*

But . . . it's lonely at the top of the food chain. It's difficult to fit in when plant eaters can be so cruel—just because you ate a relative of theirs that one time! What's a carnivore to do? Aaron Reynolds's roaringly funny text is perfectly paired with Dan Santat's mouthwatering illustrations, creating a toothsome book that's sure to stand out from the herd. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
