Meet Donald “Lucky” Gibson. He’s considered one of the best detectives around, until he joins his new unit, a team of corrupt cops who are just as bad as the criminals they are supposed to be catching. Lucky soon falls into the trap and becomes one more thug with a badge.

Years of abusing his position have led to an out of control cocaine habit, the loss of his family, and a love affair with a young runaway prostitute, but Lucky has had enough. After an innocent black man is killed by his white partners, Lucky testifies against them. He uses the media to expose his dirty team, including his captain and the commissioner. Now Lucky is a marked man, and even the mayor wants him dead. Corruption does not begin to describe what the law enforcement and government officials represent.

With trickery in each chapter, this must-read novel will have you cheering for the bad guys, while wondering who can be trusted, who is behind the foul events that unfold, and where the corruption will end. You won't be able to put this book down until you discover all the answers.

Welcome to Corrupt City Saga, where you can’t tell the good guys from the bad guys, and every character is a suspect. Tra Verdejo is entering the street lit scene with a raw style that will quickly put him on top.
