Life in 2050 Jim Musgrave

The youth of the world have finally taken over in the futuristic SciFi serial novel, LIFE IN 2050, by Jim Musgrave. Marijuana hookahs in stores, sex in the streets, and no more war profits for the elderly elite of the Military Industrial Complex. However, one worker at the Ministry of Mindfulness, William Drury, is turning 40 in three days. He knows what will happen to him and he wants to escape Big Bro's socialistic libertarian paradise. However, one worker at the Ministry of Mindfulness, William Drury, is turning 40 in three days. He knows what will happen to him and he wants to escape Big Bro's socialistic liberatarian paradise. As a black man, he also believes there is a secret agenda of racism at work, and this fact pulls him deep within the inner party and its tentacles of influence around the world. Will you join William on this quest to stop Big Bro and the cult of youth in 2050?

From reader reviews:

Kevin Buckley:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is in the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Life in 2050 as the daily resource information.

Jeannine Ricks:

Hey guys, do you would like to finds a new book you just read? May be the book with the concept Life in 2050 suitable to you? Often the book was written by well known writer in this era. The actual book untitled Life in 2050is the main of several books that everyone read now. That book was inspired a number of people in the world. When you read this publication you will enter the new dimensions that you ever know previous to. The author explained their concept in the simple way, so all of people can easily to recognise the core of this book. This book will give you a large amount of information about this world now. So you can see the represented of the world in this book.

David Barr:

Do you have something that that suits you such as book? The reserve lovers usually prefer to select book like comic, brief story and the biggest the first is novel. Now, why not striving Life in 2050 that give your enjoyment preference will be satisfied by means of reading this book. Reading addiction all over the world can be said as the way for people to know world far better then how they react when it comes to the world. It can't be stated constantly that reading addiction only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you could pick Life in 2050 become your personal starter.

David Auman:

This Life in 2050 is great publication for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it facts accurately using great coordinate word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tricky core information with wonderful delivering sentences. Having Life in 2050 in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world with ten or fifteen minute right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt this?
