Over 400 entries of the most practical, up-to-date gardening information ever, collected from garden experts and writers nationwide!

"Gardens are places to renew yourself in mind and body, to reawaken to the truth and beauty of the natural world, and to feel the life force inside and around you. And the organic way to garden is safer, cheaper, and more satisfying. Organic gardeners have shown that it's possible to have pleasant and productive gardens in every part of this country without using toxic chemicals. They make their home grounds an island of purity."
