‘Rock ‘n’ Roll doesn’t necessarily mean a band. It doesn’t mean a singer, and it doesn’t mean a lyric, really. It’s that question of trying to be immortal’ Malcolm McLaren The Rise and Fall of the Miraculous Vespas is the timeless story of the quest for such pop immortality. When a young Ayrshire band miraculously hits the big time with the smash hit record of 1984, international stardom beckons. That’s despite having a delusional teenage manager propelled by a dark, malign voice in his head ... Can Max Mojo’s band of talented social misfits repeat the success and pay back the mounting debts accrued from an increasingly agitated cartel of local gangsters? Or will they have to kidnap Boy George and hope for the best? Featuring much-loved characters from the international bestseller, The Last Days of Disco, this is an absurdly funny, riotously ambitious and deeply human story of small-town rivalries, music, confused adolescence and, above all, hope, from one of Scotland’s finest new voices.
