This comprehensive guide is the first one to tell the whole story of the Volkswagen Bay-Window Transporter, produced from 1967 - 1979. This new paperback edition deals with the Transporter's development, its technical evolution, the model codes, the specification detail changes, the factory fitted M-codes and Transporter export. Using this book, Bus enthusiasts can crack the codes of their own specific vehicle, to find out the factory-fitted specifications like paint and trim colours, engine and transmission types, and even the date of manufacture, model and destination code. The first guide to tell the whole story of the VW Bay-Window Transporter. The photographs took over three years to collect from Volkswagen archives resulting in an invaluable source of crucial information for restoration. Superbly illustrated with 470 colour photographs. Vincent Molenaar and Alexander Prinz are keen experts on Bay-Window buses.
