A comic play about sex and commitment in the 21st century.

Rafe and Pete have hit a rut. After seven-and-a-half blissfully happy years, their lack of sexual experience is driving them apart.

So when they proposition mutual friend Michael to help out with their problems - knowing full well Michael has his own partner Andrew – what seems like a simple solution quickly spirals out of control.

*Four Play* premiered at Theatre503, London, in February 2016.
