## MY PHONY VALENTINE (Harlequin comics) Marie Ferrarella

They're cousins! Identical cousins! Well, nearly identical. T.J. and Theresa not only share first names and very similar appearances, they accidentally end up sharing the same boyfriend when T.J. covers for her to make a business negotiation. When Christopher meets T.J. to talk about toys, he may find out that he'll be played with a bit more than his teddy bear line. What's more, Theresa may turn out to be the jealous type who refuses to share her playthings, even if T.J. lied for her to get them. If T.J. comes clean, will it help her bottom line, or will taking the truth out of its original packaging lower the aftermarket price?
