Playland

Kathryn W. Burke

Playland Kathryn W. Burke

Playland offers an inviting look at the historic amusement park on the shore of the Long Island Sound in Rye. This book recalls the early days and the later years of Playland, a national historic landmark and America's only publicly owned amusement park. Opened in 1928 as part of the newly developed Westchester County Park System, Playland originally drew crowds that arrived via automobile, bus, and steamship for the circus acts, sideshows, and rides, such as the Swooper, an oval roller coaster, and the Derby Racer, one of only two left in the United States. An all-purpose resort, the park included a beach, bathhouse, pool, and casino with restaurants and games. Today the park draws even larger crowds--nearly a million people each season--that come for the Dragon Coaster and other rides, Kiddyland, the indoor ice rink, the pool, the beach, and the boardwalk.

From reader reviews:

Paul Delatorre:

What do you think about book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't would like do that. You must know how great and also important the book Playland. All type of book can you see on many sources. You can look for the internet solutions or other social media.

Joey Leigh:

As people who live in often the modest era should be revise about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This Playland is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Warren Bowers:

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want feel happy read one using theme for entertaining including comic or novel. The Playland is kind of reserve which is giving the reader unpredictable experience.

Cindy Mattis:
