This E-ssential is a three-part series that covers John Davis's epic journey from Florida to Maine. In 2011, with support from the Wildlands Network, Davis traveled 7,600 miles in 10 months from Florida to Maine by foot, bicycle, skis, and canoe/kayak. His extensive traveles were motivated by wanting to answer the question "Is it possible in the twenty-first century to identify and protect a continental-long wildlife corridor that could help to protect eastern nature into the future?"
