Calvinus clarissimus theologus: Papers of the Tenth International Congress on Calvin Research (Reformed Historical Theology) Herman J Selderhuis

This volume contains the papers of the 10th International Congress on Calvin research (Bloemfontein 2010) and represents the latest in Calvinresearch. The first part of the book consists of the plenary papers presented by leading scholars in Reformation history and theology and focussed on the topic of reconciliation. In the second part a select number of shortpapers is presented in which a wide variety of topics is dealt with. Just as with the preceding published papers of Calvincongresses, this volume also will become a source as well as a guideline for future studies.
