The International Business, Marketing, and Economics section covers:

- Benefits of international trade
- GATT
- Conducting international business through contract manufacturing
- Ethnocentrism and stereotyping

These sections are full of specific and detailed information that will be key to passing the CSET Business Exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual CSET Business Exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear.
