Ideas & How-To: Outdoor Kitchens (Better Homes and Gardens) (Better Homes and Gardens Home)
Better Homes and Gardens

- This book helps homeowners evaluate their outdoor kitchen needs and wishes, explore the available options, and identify choices that will work for them.
- Charts, graphs, and cutaway diagrams pinpoint essential information, whether the homeowners are building the kitchen themselves or hiring a contractor to do the work.
- Inspirational photos of existing outdoor kitchens range from basic to elaborate. Real-life examples show the variety of amenities available and provide ideas for combining materials to create a style that harmonizes with the home's architectural style.
- The book gives plenty of practical advice for addressing each element needed in an outdoor kitchen: cooking surfaces, food preparation surfaces, and storage for food and supplies.
