## **In My Father's Shadow: A Daughter Remembers Orson Welles** Chris Welles Feder

Out of all the many stars and celebrities Hollywood has produced, only a handful have achieved the fame—and, some would say, infamy—of Orson Welles, the creator and star of what is arguably the greatest American film, *Citizen Kane*. Many books have been written about him, detailing his achievements as an artist as well his foibles as a human being. None of them, however, has gotten so close to the real man as does Chris Welles Feder's beautifully realized portrait of her father.

*In My Father's Shadow* is a classic story of a life lived in the public eye, told with affection and the wide-eyed wonder of a daughter who never stopped believing that someday she would truly know and understand her elusive and larger-than-life father. The result is a moving and insightful look at life in the shadow of a legendary figure and an immensely entertaining story of growing up in the unreal reality of Hollywood, enhanced by Welles Feder's collection of many never-before-seen family photographs.
