Love Me Anyway: A Novel Tiffany Hawk

A darkly funny, compulsively readable debut novel about two young flight attendants coming of age at 35,000 feet

When twenty-three-year-old Emily Cavanaugh's marriage to her abusive high school sweetheart ends, she trades in her dull smalltown life for an all-access pass to see the world as a flight attendant. Hoping for a new start, she moves to San Francisco to bunk with six other new flight attendants. Among them is KC Valentine, a free spirit who encourages Emily to shed her mousy ways and start collecting experiences as exciting as her passport stamps. Emily soon follows KC's advice a little too well, falling in love with an older, married co-worker named Tien, a father to two young girls. But as Emily and Tien become more deeply entangled, KC grows distraught. Neither her friends nor co-workers know the real reason she became a flight attendant: to find her father who abandoned her as a child. As Emily and KC fly from Vegas to Boston, San Francisco to London, Chicago to Delhi, each searching for love and acceptance, they're torn between passion and moral conviction, freedom and belonging.

An assured debut from a former flight attendant, *Love Me Anyway* deftly captures the complexities of love, friendship, and family, the excitement and loneliness that come from living everywhere and nowhere, and the surprising detours life can take when you set out to discover the world.

From reader reviews:

Phyllis Branson:

Why don't make it to become your habit? Right now, try to ready your time to do the important act, like looking for your favorite publication and reading a book. Beside you can solve your problem; you can add your knowledge by the reserve entitled Love Me Anyway: A Novel. Try to make book Love Me Anyway: A Novel as your good friend. It means that it can being your friend when you truly feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunel for you personally. The book makes you far more confidence because you can know every little thing by the book. So , let's make new experience in addition to knowledge with this book.

Rebecca Shadwick:

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has distinct personality and hobby for each other. Don't to be pressured someone or something that they don't desire do that. You must know how great in addition to important the book Love Me Anyway: A Novel. All type of book can you see on many sources. You can look for the internet methods or other social media.

Mary Fleeman:

As people who live in the modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you is you don't know what type you should start with. This Love Me Anyway: A Novel is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Karl Wolfe:

Exactly why? Because this Love Me Anyway: A Novel is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.
