Donovan Research Library and the US Armor Research Library are now part of the Maneuver Center of Excellence Libraries Virtual Library program. For the past few years, both libraries have processed large parts of their historical collections of student papers, post newspapers, documents, yearbooks, and other materials to be digitized. The collections represent the intellectual talent of research and education that soldiers receive from the faculty, historians, and staff of the US Army Infantry School and US Army Armor School and its divisions.

This historical collection of After-Action Reports, Case Studies, and Unit Actions, contains documents from the pre-WWII era to the late 1960s. This collection contains about 10 titles, including Combat Report United States Army, 7th Infantry Regiment and US Army 31st Infantry Regiment in Korea, Command Report. This publication is one of the documents in this collection.
