The circumstances of Molly Marx's death may be suspicious, but she hasn't lost her sense of humor. Newly arrived in the hereafter, aka the Duration, Molly discovers that she can still keep tabs on those she left behind: Annabel, her beloved four-year-old daughter; Lucy, her combustible twin sister; Kitty, her piece-of-work mother-in-law; Brie, her beautiful and steadfast best friend; and of course her husband, Barry, a plastic surgeon with more than a professional interest in many of his female patients. As the police question Molly's circle of intimates about the circumstances of her death, Molly relives the years and days that led up to her sudden end—and takes responsibility for her choices in life.

Exploring the bonds of motherhood, marriage, and friendship, and narrated by a memorable and endearing character, **The Late, Lamented Molly Marx** is a hilarious, deeply moving, and thought-provoking novel that is part mystery, part love story, and all heart.
