The first appearance of renowned Jungian Luigi Aurigemma's works in English, *Jungian Perspectives* explores the timeless questions that have long fascinated psychologists. In a series of essays written over a twenty year period—which nonetheless retain all their freshness today—Aurigemma's writings echo man's search for meaning and for understanding in a world limited by the human condition. This far-reaching overview of Jung's work includes discussions of suffering and evil, sublimation, dreams and visions, the spiritual dimension, death, and the mystical experience of the Void.
