Gene Wilder

## **Kiss Me Like a Stranger: My Search for Love and Art** Gene Wilder

Gene Wilder is one of the great comic actors who defined the 1970s and 1980s in movies. From his work with Woody Allen, to the rich group of movies he made with Mel Brooks, to his partnership on screen with Richard Pryor, Wilder's performances are still discussed and celebrated today.

*Kiss Me Like a Stranger* is an intimate glimpse of the man behind the image on the screen. In this audiobook, Wilder talks about everything from his experiences in psychoanalysis to why he got into comedy (his first goal was to be a Shakespearean actor) to how a midwestern childhood with a sick mother changed him. He writes about the creative process on stage and on screen, and divulges moments from life on the sets of some of the most iconic movies of our time.

Wilder also opens up about his search for love and his marriages, including his marriage to comedienne Gilda Radner. But the core of *Kiss Me Like a Stranger* is an actor's search for truth and a thoughtful analysis of why the choices he made, some of them so serendipitous they were practically accidental, changed the course of his life.
