## **Saved by the Sea: Hope, Heartbreak, and Wonder in the Blue World** David Helvarg

Acclaimed as “the premier chronicler of America’s complex relationship with our oceans” (Honolulu Weekly), David Helvarg has also been a war correspondent, investigative journalist, documentary producer, and private investigator. The one constant in his adventurous life has been love for the sea. His personal story of love, loss, and redemption, *Saved by the Sea* is also a profound, startling, and sometimes funny reflection on the state of our seas and the intimate ways in which our lives are linked to the natural world around us.

“Amazing and often heartrending adventures in and around the ocean...A great read from an outstanding writer.”

— Philippe Cousteau, ocean explorer

“Read *Saved by the Sea* for pleasure, read it for adventure, read it because it conveys the gift of being allowed to slip into David Helvarg’s world and view the ocean, and humankind, with profound new understanding. But beware: This book has the power to change the way you think about the world, about yourself, and about the future of humankind.”

— Sylvia Earle, ocean explorer and author of *The World Is Blue*
