Star of the Week Darlene Friedman

It's Cassidy-Li's turn to be Star of the Week at school! So she's baking brownies and collecting photos for a poster that's all about her. She has pictures of all the important people in her life-with one big exception. Cassidy-Li, adopted from China when she was a baby, doesn't have a photo of her birthparents. But with a little help from her family, she comes up with the perfect way to include them!

Using their own personal story as a model, Darlene Friedman and Roger Roth celebrate the love of families everywhere through this straightforward and insightful book.
