YOU'RE GONNA MISS ME La saga psychédélique de Roky Erickson et du 13th Floor Elevators (French Edition) Paul Drummond

Si la scène de San Francisco des années soixante est bien documentée, force est de constater que la scène texane de cette même période l'est beaucoup moins. Ce livre a pour but de relater une des histoires les plus remarquables du rock'n'roll, celle des 13th Floor Elevators. Ce groupe, unique en son genre, est à l'origine du rock psychédélique, précurseur du punk et l'on peut certainement créditer Roky Erickson comme étant également à l'origine de l'horror rock avec sa carrière solo. Le groupe a également connu un destin hors du commun, jugez plutôt : quelle autre formation peut se targuer d'avoir vu ses membres internés plusieurs fois en hôpital psychiatrique, faire la guerre du Vietnam, vivre dans une grotte, être emprisonnés et subir un traitement aux électrochocs ? Pourtant, les 13th Floor Elevators, c'est tout ça en un seul groupe. Un groupe qui a vécu de fin 1965 jusqu'à mi-1969, et qui a sorti trois albums studio fondateurs alimentés par toutes les drogues possibles et imaginables. Ils ont laissé une trace indélébile dans le paysage musical en influençant de nombreux groupes, de ZZ Top à Led Zeppelin en passant par Janis Joplin.
