A History of Fascism, 1914-1945

Stanley G. Payne

A History of Fascism, 1914-1945 Stanley G. Payne

“*A History of Fascism* is an invaluable sourcebook, offering a rare combination of detailed information and thoughtful analysis. It is a masterpiece of comparative history, for the comparisons enhance our understanding of each part of the whole. The term ‘fascist,’ used so freely these days as a pejorative epithet that has nearly lost its meaning, is precisely defined, carefully applied and skillfully explained. The analysis effectively restores the dimension of evil.”—Susan Zuccotti, *The Nation*

“A magisterial, wholly accessible, engaging study. . . . Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism, mobilization of the masses, exaltation of hierarchy and subordination, oppression of women and an embrace of violence and war as virtues.”—*Publishers Weekly*
