The five-volume set price reflects a 20% discount off the price of the individual volumes. The long and complex history of reception and interpretation of the Hebrew Bible / Old Testament through the ages is at the center of the Hebrew Bible / Old Testament project. This comprehensive standard reference brings together Christian and Jewish specialists in the field from all over the world to describe Old Testament exegesis from the beginnings of intra- Biblical text interpretation to modern research. The extensive indices (names, topics, references to biblical sources and a vast body of literature beyond) are the key to the wealth of information provided. This set includes all five volumes. The set price represents a \$100 savings on the combined individual volume prices.
