Judeo-Christianity, 2nd Edition Dr. Ray Looker Jr.

For almost two thousand years we have followed the traditions and practices of the Catholic religion. But is this reflective of the Apostles and Prophets of Christianity? Judeo-Christianity challenges these practices as being of pagan origin and invites us to rethink what we are doing in the light of the Scriptures. Ray Looker offers an alternative that is in line with the Word of Yahweh as found in the first five books of the Bible, the written TORAH. Has the “Old Testament” been done away with or is it still the Law of Yahweh?
