## **Mystery of Physical Life** E. L. Grant Watson

E. L. Grant Watson, an English field naturalist, zoologist, and one of England's best-loved nature writers, spent a lifetime trying to bring nature and consciousness into a unified, holistic vision that would establish meaning in the world without losing wonder.

The questions raised by facts of nature inexplicable in terms of conventional theories, together with insights gained from a reading of Jung--as well as by a study of early Christian gnostic literature and the anthroposophy of Rudolf Steiner--brought him to an imaginative perception of living things based on the conviction of the presence in all things of a spiritual reality.

"Love is of man, but wisdom is of nature, and there are times when it almost seems that the author's secret--as perhaps it will one day be the secret of a reformed scientific method--is to stand aside and let the wisdom of nature herself speak through him. "-Owen Barfield

#### **Jesse Ward:**

Is it anyone who having spare time then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Mystery of Physical Life can be the response, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these publications have than the others?

#### **Stephen Porter:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Mystery of Physical Life can make you experience more interested to read.
