Queen (eBook): A Rhapsody (Rock Icons) Hugh Fielder

Queen are one of the world's most successful rock bands of all time, with a total of 18 number one albums and 18 number one singles. After early experimentation with prog, hard rock and heavy metal, the band developed their more radio-friendly style that has made them loved the world over. The release of *A Night at the Opera* in 1975 gained the band international success, featuring 'Bohemian Rhapsody', which was to stay at number one in the UK Singles Chart for nine weeks. With anthems such as 'We Will Rock You' and 'We Are the Champions', they became one of the biggest stadium rock bands in the world. Queen is an unofficial, intriguing review of their path to mega success. Covering all the major events in their long career, the book is accompanied by revealing and evocative images.
