The Clergy in Khaki: New Perspectives on British Army Chaplaincy in the First World War (Ashgate Studies in First World War History) Michael Snape, Edward Madigan

British army chaplains have not fared well in the mythology of the First World War. Like its commanders they have often been characterized as embodiments of ineptitude and hypocrisy. Yet, just as historians have reassessed the motives and performance of British generals, this collection offers fresh insights into the war record of British chaplains.

Drawing on the expertise of a dozen academic researchers, the collection offers an unprecedented analysis of the subject that embraces military, political, religious and imperial history. The volume also benefits from the professional insights of chaplains themselves, several of its contributors being serving or former members of the Royal Army Chaplains' Department. Providing the fullest and most objective study yet published, it demonstrates that much of the post-war hostility towards chaplains was driven by political, social or even denominational agendas and that their critics often overlooked the positive contribution that chaplains made to the day-to-day struggles of soldiers trying to cope with the appalling realities of industrial warfare and its aftermath.

As the most complete study of the subject to date, this collection marks a major advance in the historiography of the British army, of the British churches and of British society during the First World War, and will appeal to researchers in a broad range of academic disciplines.

From reader reviews:

Margert Lewis:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each guide has different aim or goal; it means that reserve has different type. Some people sense enjoy to spend their time to read a book. These are reading whatever they get because their hobby will be reading a book. Consider the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or maybe exercise. Well, probably you will want this The Clergy in Khaki: New Perspectives on British Army Chaplaincy in the First World War (Ashgate Studies in First World War History).

Jerald Elliott:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is inside the former life are challenging to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take The Clergy in Khaki: New Perspectives on British Army Chaplaincy in the First World War (Ashgate Studies in First World War History) as your daily resource information.

Steve Pratt:

Exactly why? Because this The Clergy in Khaki: New Perspectives on British Army Chaplaincy in the First World War (Ashgate Studies in First World War History) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I were being you I will go to the e-book store hurriedly.

Jennifer Phinney:

Is it an individual who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Clergy in Khaki: New Perspectives on British Army Chaplaincy in the First World War (Ashgate Studies in First World War History) can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?
