**Bialere - Storie da Idrasca (Italian Edition)** Luigi Musolino

Idrasca. Un paese come tanti altri, affossato nella Bassa piemontese. Un paese dove nulla è ciò che sembra. Dove riti, maledizioni e creature di un passato ormai lontano sono sopravvissuti all'avvento della modernità...

“Le maschere, ovvero le streghe del Piemonte. Abbondano a Idrasca. Sembrano confinate e ridicolizzate, ma sono in realtà il cuore marcio della maligna comunità. Il Paese del Male immaginato da Luigi Musolino deve tanto alla geografia del territorio quanto all'immaginario formativo importato dal New England.

Bialere – Storie da Idrasca non è neppure configurabile come un'antologia. Leggetelo come un romanzo a racconti autonomi, un capitolo per ogni faccia del Male. In modo subdolo e rabbrividente, sentirete aria di casa...” Dalla prefazione di Danilo Arona.
