Blade Runner: The Inside Story Don Shay

In 1982, to coincide with Blade Runner's original release, Cinefex, the respected magazine devoted to movie design and special effects devoted an entire, extended issue to Ridley Scott's sci-fi masterpiece. That issue has been out of print since then, but in constant demand -- copies now sell on the collector's market for over USD100. Titan Books is proud to bring this classic back into print, in a remastered hardcover edition.

Described as 'the single most comprehensive examination of Blade Runner's special effects', this must-have book contains scores of images not available elsewhere, as well as authoritative text, containing in-depth, exclusive interviews with director Ridley Scott and the legendary designer Syd Mead.
