Human Rights and Universal Child Primary Education Fait Muedini

This book examines the progress toward universal child primary education, and the obstacles that remain. Fait Muedini describes the current state of child primary education, the international laws that support the right to free childhood education, and the positive gains that are paving the way to universal free schooling. He also discusses remaining legal and logistical roadblocks still to be overcome by the NGOs and international organizations that strive to deliver free education to all children. The benefits to free primary education ripple throughout the world system, and this discussion illuminates the current state of universal education delivery and points the way to next steps.
