Cathy Lamb

My Very Best Friend Cathy Lamb

From a childhood friendship sustained over years and distance, to a journey of discovery, Cathy Lamb's poignant novel tells of two women whose paths converge with unforeseen results—and reveals the gift of connection, and the challenges that can change everything for the better...

Charlotte Mackintosh is an internationally known bestselling romance writer who has no romance, and remains a mystery to her fans. In fact, she has little in her life besides her work, her pampered cats, and her secluded home off the coast of Washington. And then there is her very best friend, Bridget, who lives in Scotland, where Charlotte lived until she was fifteen. Bridget, whom Charlotte hasn't seen in twenty years, but continues to write to—though the replies have stopped. Hurt by the silence, an opportunity arises to find answers—and maybe much more.

Charlotte must finally return to Scotland to sell her late father's cottage. It was his tragic death when Charlotte was fifteen that began her growing isolation, and the task is fraught with memories. But her plans are slowed when she's confronted with the beautiful but neglected house, the irresistible garden—and Toran, Bridget's brother. Capable and kind, Toran has the answers Charlotte seeks. And as she is drawn deeper into the community she thought she'd left behind, Charlotte learns not only more about her dear friend, but about herself—and discovers a new and unexpected path.

Jackie Lafond:

Reading a publication tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this My Very Best Friend.

Betty Blake:

In this period of time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. Often the book that recommended for your requirements is My Very Best Friend this reserve consist a lot of the information with the condition of this world now. This kind of book was represented how do the world has grown up. The terminology styles that writer value to explain it is easy to understand. Typically the writer made some research when he makes this book. Here is why this book suitable all of you.

Kevin Vickers:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this My Very Best Friend can make you really feel more interested to read.
