The Yijing (I Ching) or "Book of Change" is one of the oldest of the Chinese classic texts and has held a key place in the Daoist tradition for thousands of years. Explaining the ancient Yijing system of prediction based on the Xiang (symbolism) and Shu (numerology) knowledge of Bagua (the eight basic trigrams), which have not previously been written about outside China, this book makes the Yijing accessible to the Western world in a new and fuller way.

In the space of just eight days, Master Zhongxian Wu leads the reader towards a deep understanding of the Eight Trigrams of the Yijing and how to apply this knowledge in practical ways in daily life. Master Wu explores the numerology and symbolism of Yijing and clearly explains how the reader can use the Yijing divination system for themselves.

This remarkable book provides a user-friendly eight day program that will be a fascinating read for anyone with an interest in learning more about the Yijing or Chinese philosophy and culture as a whole, as well as those who wish to learn how to use the Yijing for practical purposes.
