@Social Network (10Pagine) (Italian Edition) Andrea Ricci

Adolescenza 3.0: emozioni che si esprimono con una faccina, relazioni che si intrecciano in una chat, pensieri che si condividono in un post. Ma mi piace o non mi piace tutto ciò? E' la domanda che si fa il protagonista di questo racconto, fervido sostenitore dell'on line, piuttosto che dell'on life. E l'amore? Un cuoricino, una poesia cercata su Internet, ancora, forse, non valgono una parola o uno sguardo e un sorriso riesce ad emozionare molto più di uno smile. Un racconto che svela tutta la solitudine e l'assurdità di questo mondo "preso nella rete", che nella sua socialità è molto asociale, anzi @social.
