*Every Natural Fact: Five Seasons of Open-Air Parenting* is a narrative of mother-and-son nature outings across the state of Wisconsin. In a style that blends the voices of Janisse Ray and Annie Dillard, a mother and son explore parallels in the world of people and nature. The interconnected chapters stand on their own and build upon each other. These explorations of natural history, flora and fauna, and parenting themes demonstrate that the mythic thread that winds through everything can still be found, even in a world of wounds. Amy Lou Jenkins' award-winning writing is rich in sensory immediacy, characterization, natural history, and humor.

**Every Natural Fact** is the winner of the Ellis / Henderson Award for Outdoor Writing. Details and more award listings at [AmyLouJenkins.com](http://AmyLouJenkins.com).
