The Engagement: A Novel Chloe Hooper

From the author of the highly acclaimed *A Child's Book of True Crime*, “a brilliant, seductive, and unnerving first novel of sexual betrayal” (*O, The Oprah Magazine*), comes a dazzling, intense, and erotic second novel set in an isolated mansion in the country.

Liese Campbell has an engagement for the weekend: to stay with Alexander Colquhoun, the handsome, well-mannered heir of an Australian pastoral dynasty, at his country seat some hours from Melbourne. Liese is English. She's come to Australia to work at her uncle's real-estate business and pay off her debts. Alexander has been looking for a place in the city. The luxury apartments Liese shows him have become sets for a relationship that satisfies their fantasies—and her financial problems. Both players understand the rules. Or so she thinks.

Across the ancient landscape they drive at dusk to his grand decaying mansion. Here Liese senses a change in Alexander and realizes that a different game has begun.

Chloe Hooper's riveting and provocative new novel is a psychological thriller for the modern age, an exploration of the snares of money and love and the dark side of erotic imagination. A trap has been set, but how and why? And for whom?

From reader reviews:

Dee Alaniz:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining such as comic or novel. The The Engagement: A Novel is kind of e-book which is giving the reader unstable experience.

Guadalupe Eggleston:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write with their book. One of them is this The Engagement: A Novel.

Lucille Davis:

Often the book The Engagement: A Novel has a lot of knowledge on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. Mcdougal makes some research before write this book. This kind of book very easy to read you may get the point easily after looking over this book.

Debra Davin:

Are you kind of hectic person, only have 10 or 15 minute in your day time to upgrading your mind talent or thinking skill even analytical thinking? Then you have problem with the book as compared to can satisfy your small amount of time to read it because all this time you only find guide that need more time to be go through. The Engagement: A Novel can be your answer since it can be read by you who have those short spare time problems.
