Katia Schiavone

18 ottobre 2006. Oltre le lacrime (Italian Edition) Katia Schiavone

In un mondo di completa oscurità, la benefica scoperta della scrittura come àncora cui aggrapparsi per non affogare, per riempire lunghe giornate vissute nell'inferno più terrificante, per dare un po' di sollievo a quel dolore corrosivo e a quel pensiero martellante, "perché mio figlio?"

Un viaggio con la mente per ripercorrere i primi due anni di una grande devastazione, i momenti più atroci e insopportabili della più grande tragedia che possa colpire un genitore, quella per perdita di un figlio.

Ripercorrere quel dolore disumano nel tentativo di dividerlo e confrontarsi con persone che hanno vissuto la stessa tragedia, perché è impossibile spiegare se non si è provato sulla propria pelle.
