EL LIBRO DE LA ABUNDANCIA (Spanish Edition) MARTIN FREEMAN

Una importante área de la experiencia humana donde la ignorancia se densifica con el paso de los siglos es la relativa a la interrelación del hombre con las fuerzas que rigen y gobiernan el universo, con los planos superiores de la existencia, con la divinidad: con Dios. Tabú para la ciencia, aséptica y desinteresadamente tratado por la filosofía y groseramente monopolizado por las distintas religiones, el tema de la posible relación – e interrelación – del hombre con la divinidad es uno de los menos estudiados en nuestra cultura de principios del siglo XXI. La presente obra evidencia una sorprendente conexión entre dos campos: el nivel mental llamado subconsciente constituye un canal de comunicación, una puerta permanentemente abierta que nos conecta con los niveles más elevados de la existencia, con la divinidad.

Sin menoscabo de su obvia utilidad práctica, las sencillas instrucciones contenidas en este libro cumplirán la importante función de avivar en el lector la llama espiritual, de mostrarle un camino fácil y directo que le permitirá establecer una comunicación – sin intermediarios de ningún tipo – con la inteligencia que gobierna el universo, con lo trascendente.
