What is a winning strategy? Why do some people, families, and organizations take a dive, some merely survive, while others thrive? What leads up to a disaster or collapse? Why do some squander success, while others continue to elevate? How do we build a solid foundation that assures solid authentic growth? *Rich Habits Rich Life* is the result of research that has spanned over 25 years at the intersection of sociology and economics, and specifically explores what behaviors result in disaster, recovery, and prosperity.
