**Storm Moon (The Moonlight Trilogy)** Teri Harman

**A betrayal, an invasion, and a plan that has spanned centuries are all unleashed in this, the final installment of the Moonlight Trilogy**

After marrying her soul mate Simon Howard, Willa Fairfield prepares for the couple's honeymoon. But, unbeknownst to her, it is not Simon who is sleeping beside her; it is Bartholomew the Dark, the legendary and dangerous witch. As Willa's mother watches the couple leave for Europe, she has the inescapable feeling that something is terribly wrong, even as she tries to convince herself that she stopped believing such signs a long time ago when she turned away from a life of magic. How can Willa fight an enemy hidden behind Simon's eyes? Can she discover the evil that resides inside him when Bartholomew has the ability to control her mind? How can she save Simon and herself before Bartholomew destroys everything? With equal dashes of horror, romance, and adventure, this is the thrilling conclusion to the Moonlight Trilogy.
