Bee Life (Small World) Lynette Evans

Discover the cleverness of bees as they celebrate with the elements and thrive in the wild. Join the busy honeybee on her daily journey, and on the way, learn about everything from honey making to pollination. Bee Life provides readers with both a storyline that outlines the lifecycle of the honeybee and a series of facts that reveal the intricacies of the colony's lifestyle. Pretty illustrations reveal a side of the honeybee that introduces young audiences to a novel perspective that captures the insects at work. At work, play, and home, the honeybees will both inform and delight young readers.
